

2017 IRS Limits for FSA and Dependent Care Contributions

Amount of FSA Contribution

For 2017, salary reduction contributions to a health FSA cannot be more than \$2,600 a year (or any lower amount set by the plan). This amount is indexed for inflation and may change from year to year.

Amount of Dependent Care Contribution

For 2017, salary reduction contributions to a Dependent Care account cannot be more than \$2500 a year per individual or \$5000 a year for Family.

Please see IRS Publication 969 for further information.
